CREATED TO SHINE IN FRONT OF JUDGES AND SPOTLIGHTS

GLAMSTAGE

We are a team specialized in professional makeup and hairstyling for competitors, created to take glam to the level every stage demands.

We understand that in competition every detail matters: lighting, facial features, category, look and stage presence. That is why we personalize every makeup and hairstyle, so our athletes feel confident, striking and ready to shine in front of judges and spotlights.

More than makeup, at GLAMSTAGE we create competition looks designed to stand out on stage.
